

ZW-101

All-Glass Wall Mounted Case

This refined wall case is designed with 5 glass sides and offers easy access with a hinged opening mechanism. It is ideal to display flat objects but can be used with a shelving system for a variety of three-dimensional objects.

Available in multiple sizes, this wall case is typically surface-mounted or partially recessed to hide the framing at the back. It offers a rear independent access to your desiccant without opening the case.
