

ZW-102

## Wall Mounted Case

Simple, elegant and refined, this wall case is available in multiple sizes and is a perfect display solution for smaller and larger objects such as books, jewelery, small weapons, textiles, scrolls, masks, etc.

Designed with four (4) glass sides and a solid bottom and back, this minimalist case offers great display possibilities for both your permanent and temporary exhibitions.

Regardless of its dimensions, this beautiful design offers a great flexibility with shelving and lighting options. It could also integrate various sensors and alarm systems.

Customized plinths and risers can be a great addition to increase versatility with this model.
