

STANDARD zone display cases SERIES

zone display cases

The Zone Display Cases Standard Series is a highly-accessible line of standardized museum-quality display cases that are kept in stock and shipped fully assembled to better serve projects with quick timelines and limited budgets.

Standard display cases series

THE STANDARD SERIES

zone display cases

The UNIQ table case is distinguished by its straight lines and modern style. Its sleek design promotes simplicity and strikes the right balance between practicality and aesthetics. The options offered are incredibly well thought-out and increase the flexibility offered by this "unique" display case.

UNIQ DISPLAY CASE

zone^{display cases}

The UNIQ table case series offers a highly adaptable design concept with interchangeable parts which allows users to customize their cases in four different configurations.

OPTIONAL FEATURES

Panel Legs POWDER COATED STEEL, BLACK
Exhibition Drawer(s) BLACK LAMINATE WITH TEMPERED GLASS TOP
Lighting LED LIGHTING SOLUTIONS AVAILABLE

OPTIONS & FLEXIBILITY

zone^{display cases}

The UNIQ table case comes standard with four (4) legs. You may change the design of your table case by adding a set of steel panel legs on each end. The panel legs may be easily put in place or removed as needed to accommodate your changing exhibits.

REMOVABLE PANEL LEGS

zone display cases

The UNIQ table case may be supplied with a single full-width exhibition drawer or two side-by-side drawers. These drawers include a secured and removable glass top. They are available in a variety of laminate finishes to blend with your gallery spaces.

Enhance your exhibition
display surface and
create interaction with
your visitors.

EXHIBITION DRAWERS

zone display cases

The UNIQ table case offers a clamshell opening mechanism for easy access to your collections. It is built with laminated safety glass which will protect your artefacts from exposure to UV rays. Your UNIQ display case will also meet the highest level of security with its concealed ABLOY Cam Lock.

A simple, secure and safe display case that can easily be operated by one person.

OPENING MECHANISM AND SECURITY

The UNIQ table case is built out of 100% archival, non-off-gassing materials. It provides a sealed art envelope and a space for silica gel insertion for humidity control.

CONSERVATION STANDARDS

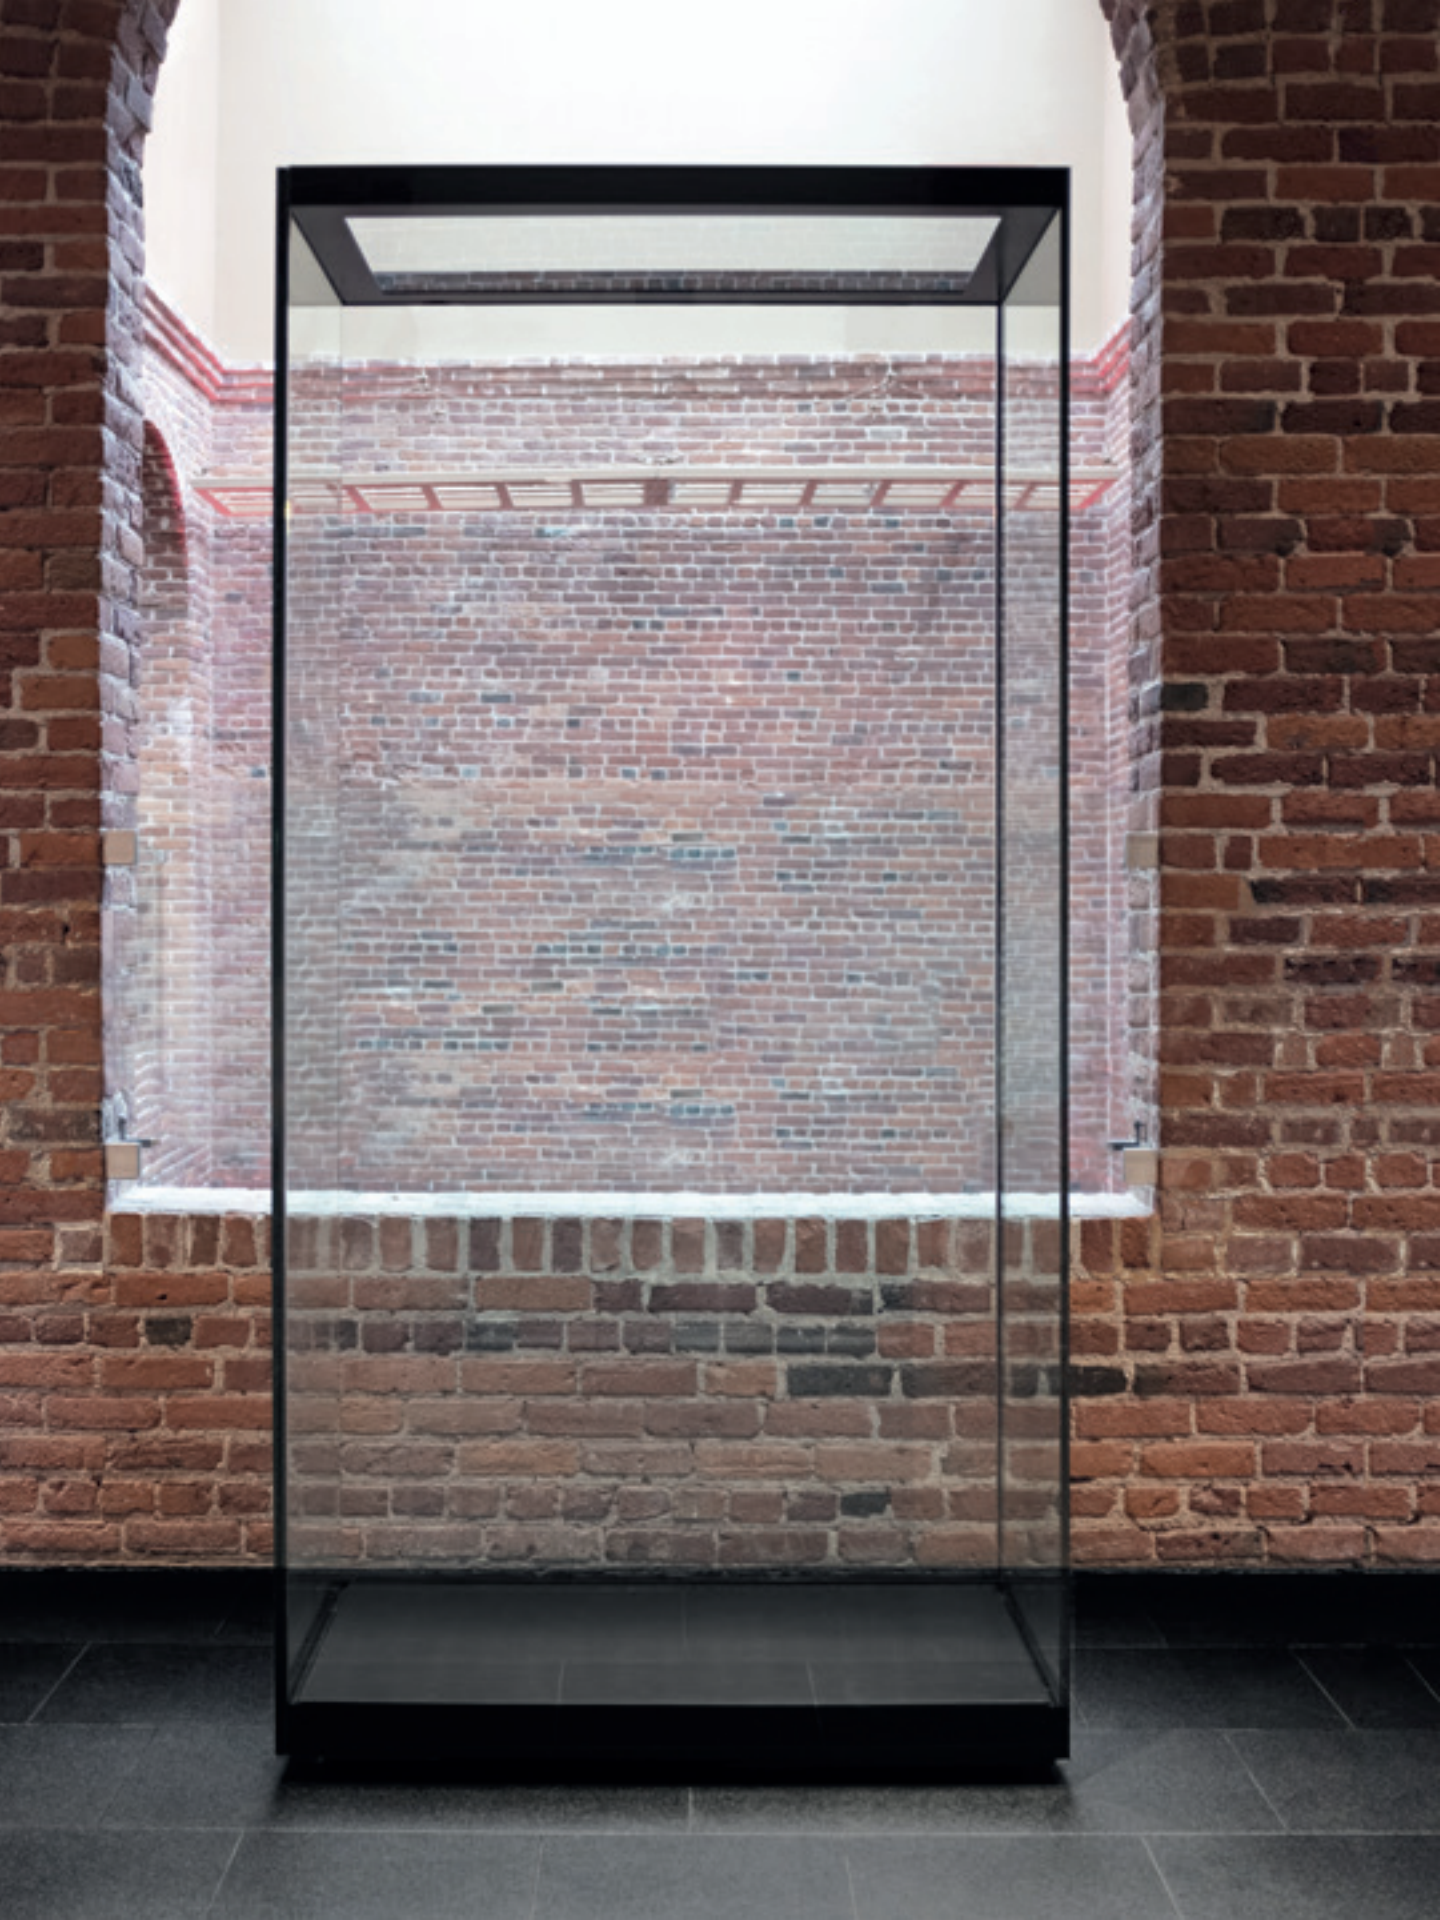

zone display cases

Elegant and minimalist, the freestanding EVOQ display case includes all the qualities sought for a museum display case. Made entirely of glass and steel, the simplicity of this display case does not compromise its solidity and durability.

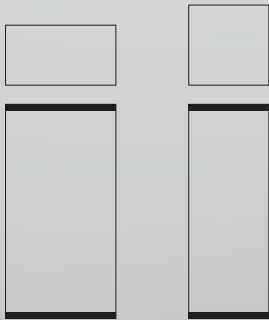

A simple and refined design that will enhance the beauty of your most valuable collections

EVOQ DISPLAY CASE

zone display cases

The EVOQ display case is offered in two sizes, which are available with multiple options to increase your display possibilities.

OPTIONAL FEATURES

Lighting DIMMABLE LED SPOTS ON POWER TRACKS

Shelving SUSPENDED TEMPERED GLASS SHELVES

Internal Furniture PLINTH AND BACK-WALL MADE OF
LATEX-SEALED WOOD BY-PRODUCTS

OPTIONS & FLEXIBILITY

zone display cases

Standard display cases series

Your EVOQ may be converted into a pedestal case or into a wall case. The adjustable back wall can be used to hang light 2D objects and graphics or to divide your case into a double-sided case.

INTERNAL FURNITURE

zone^{display cases}

A flexible LED system with dimmable and adjustable mini spotlight fixtures on a low voltage power track can easily be added or removed to meet your changing display needs.

Standard display cases series

A very adaptable
LED system that will brilliantly
highlight your artifacts.

LED LIGHTING

zone display cases

Suitable for a variety of small to medium-sized objects, this fine and modern suspended shelving system offers great versatility with up to three (3) fully adjustable tempered glass shelves.

Standard display cases series

Indispensable flexibility
offering you the possibility to
present a variety of
objects of all sizes.

SUSPENDED SHELVING

The EVOQ freestanding case is equipped with a hinged door that can easily be operated by a single person.

For optimal security and protection, the EVOQ display case is built with UV laminated safety glass and includes a high-security ABLOY Cam Lock.

OPENING MECHANISM & SECURITY

EVOQ is a display case of choice to present, preserve and protect your most sensitive collections. Built with 100% archival and non-off-gassing materials, the EVOQ freestanding case provides a sealed art envelope and a silica gel compartment for humidity control.

CONSERVATION
STANDARDS

zone display cases

Both the EVOQ and the UNIQ museum display cases are shipped completely assembled and require minimal maintenance, thanks to their sealed, dust-proof display enclosures.

Standard display cases series

Peace of mind with our turnkey packaging and delivery process that will save you time and labor.

DELIVERY AND MAINTENANCE

zone display cases

As with all our products, the Zone Standard Display Cases are entirely designed and manufactured in Canada. We work with local suppliers and use top quality materials to ensure optimal durability and sustainability of our products.
